MEMORANDUM TO:

Canadian Grading Agencies
Canadian Lumber Standards Accreditation Board
Facilities Producing Certified Heat Treated Lumber
Facilities Registered in the Canadian Wood Packaging Certification Program
Canadian Wood Pallet and Container Association
CFIA, Plant Health Division, Export Unit
CFIA, Plant Health Division, Forestry Section
CFIA, National Plant Products and Plant Protection Coordinator

**SUBJECT: FORESTRY PHYTOSANITARY ISSUES - UPDATE #11
- Exports of Wood Products to Korea, Taiwan, China, India and
Mexico- (Removal from CFIA website).**

This is to advise you that Update #11 has been removed from the CFIA website as the information contained in this update could not be maintained on a regular basis. The initial purpose of the document was to assure that exporters were made aware of phytosanitary import requirements of the above mentioned countries.

Exporters, stakeholders and other interested parties are encouraged to contact their local CFIA inspection office for the most updated information regarding the phytosanitary export requirements for their respective products. A list of CFIA offices can be found at: <http://www.inspection.gc.ca/english/directory/offbure.shtml>
